

What is The Caltex Club?

As the major partner of the Socceroos, Caltex wants to support the entire football community; that means from the ground up. So Caltex has developed a rewards program specifically for the Nepean Football Association (NFA) – **The Caltex Club** – the only association in NSW to which this is being offered!

The Caltex Club is a reward program supporting grassroots clubs with valuable equipment and unique **Caltex Socceroos** experiences. Anyone can help our club – so we encourage our members, their friends and their families to all get involved!

By pulling in at your nearest Caltex, you can turn your everyday purchase into real rewards for our football club! Every time \$20 or more is spent at a Caltex store, points can be rewarded to our club.

Participation & Rewards

In order for our club to win rewards, there are 3 easy steps that need to be followed:

- Spend \$20 or more at any participating Caltex store (*)
- Collect your receipt for the purchase
- Register your receipt online at <https://club.caltex.com.au/entry.aspx> and nominate “Blue Mountains FC” as your soccer club (**)

Every receipt adds to our club’s **The Caltex Club** rewards tally and as the tally increases, our club will receive equipment and experiences for our members to enjoy.

Rewards include:

- joining **The Caltex Club** - \$250 Summit Sport Voucher
- 100 receipts registered - \$1,500 Summit Sport Voucher
- 250 receipts registered - top coaching seminar with High Performance coaches
- 400 receipts registered - \$2,500 Summit Sport Voucher.

At the end of the promotion period, a grand prize Reward will be awarded:

- most receipts registered within NFA – Money Can’t Buy **Caltex Socceroos** experience!

C’mon, BMFCers – we can win this!!! So please throw your support behind this fantastic initiative from **Caltex**, the **Caltex Socceroos** and **The Caltex Club**!
