

## Active Kids Discount

Active Kids is a program to help NSW families meet the cost of getting their kids into sport and active fitness and recreation activities.

To find out more, visit <https://sport.nsw.gov.au/sectordevelopment/activekids>

The Active Kids voucher code will be available via the Service NSW website from 31 January 2018. If you don't have an account with them, BMFC suggests you set one up sooner rather than later, at <https://www.service.nsw.gov.au/>.

Even though Voucher Codes won't become available until 31 January, BMFC will have registrations open for children under 18 years of age from 3 January.

If you wish to register your child/ren prior to the Active Kids launch date of 31 January, then the steps below are to be followed (*more details are on the next page if you need them*).

- An "Add-On" item in the MyFootballClub on-line registration system will be available; it is referred to as a "**Deferred Payment**" and will be to the value of -\$100.
- Eligible players who wish to use their Active Kids discount on their football registration should select the "**Deferred Payment**" Add-On to reduce the registration fee which is payable.
- Payment of the registration fee can then be made either off-line or on-line.
- From 31 January onwards, a player applies for their Voucher Code via Service NSW website.
- The player then provides the Voucher Code to BMFC
- BMFC will check the validity of the Voucher Code.
- If the Voucher Code is not valid, BMFC will advise the player and request the additional \$100 payment.
- BMFC will not accept a player's registration until a valid Voucher Code is provided or the additional payment is made.

If you wish to register your child/ren on or after the Active Kids launch date of 31 January, then the steps below are to be followed.

- The player applies for Voucher Code via the Service NSW website.
- The player then registers via MyFootballClub.
- At the Invoice screen there will be message to enter the Voucher Code.
- The system will automatically check the validity of the Voucher Code and where approved, the invoice will automatically update to be less \$100.
