

BMFC Photo Days

Saturday, 12, 19 & 26 May 2018 (junior Saturday Teams)

Sunday, tba (junior Sunday Teams & senior Teams)

Photos will be taken at Knapsack Park

The above dates have been booked as this year's photo days - *photo123* will be our club photographers again this year. Team managers will be provided with a team envelope (available from the clubhouse from 5 May) containing individual order envelopes, which are to be handed out to parents/players.

To ensure that things run smoothly on the day, please note the following.

The correct amount of money for a photo order will need to be placed in an individual envelope and then given to the team manager before photo day. If paying by cheque, make it payable to *photo123*, not BMFC.

We have lots of teams and lots of players, managers and coaches to photograph on each of the days, so your co-operation is needed to ensure that nobody runs late and thus, that no time pressure is put on the teams that follow your photo session. Each team needs to meet 15 minutes before their photo time, so that completed team envelopes can be handed over and players organized (e.g. lined-up in height order, in full uniform, socks pulled up, drawstrings and singlets/t-shirts not visible, etc). This 15-minute period is not the time to be completing team envelopes – please be organized before-hand.

For the day & time for when your team is being photographed, contact your team manager.

As there are 22 teams in the U5–U7 age groups that start/finish at the same time, and 20 minutes is allocated to photograph each team, the photo schedule means that some teams are photographed earlier than

the usual 9am start time. Additionally, a number of teams have been scheduled during their normal training session, to minimize/avoid being given a very late photo time. It's just not possible to photograph 22 teams just before or just after games start or finish, so please understand why the scheduling has taken place as it has.

A similar scenario exists once the U8s and up start taking the field – we can have 4 games starting at the same time and not every team can be photographed before their game, but we've tried to do schedule photos before games, and at home, wherever possible.

IMPORTANT

Photos will be taken regardless of weather or whether or not games are played.

If it's raining, photos will be taken inside the club house.

Photos form part of the Club's historical records, therefore all players **MUST** be present for photos, even if they are not ordering photos.

All players must wear their full football (soccer) uniform.

All coaches and managers are to wear club polo shirts (if you don't have one, one can be borrowed on the day).

All players, coaches and managers must be on time.

Photo orders are pre-paid and the exact amount of money must be in prior to photo day.

Please view next page to see the photo options available for purchase.
