

2013 Nepean Development Program

Term 3 – Monday 19th July to Monday 16th September

Penrith – Blue mountains - Richmond

The NDSFA representative club Nepean FC entered into a development partnership agreement with A-League Premiers Western Sydney Wanderers. Following successful programs in April and June, Nepean Football invites all players to register for our Term 3 Nepean Development Program – part of the NFC/WSW Pathway Programs.

The Nepean Development Programs provide all players the opportunity to learn and develop under qualified coaching staff in a fun and enjoyable environment. The Nepean Development Program is conducted from a set curriculum based on the 4 Building Blocks of the FFA National Curriculum – Running with the Ball, 1v1, First Touch, Striking/Passing.

The Term 3 NDP will be the last 2013 program prior to final series, Nepean 2014 Skill Acquisition and Regional Youth League trials in October/November
